

HOPING
TO
ADOPT?

Create the Adoption of a Lifetime!

There are many reasons hopeful parents will grow a family through adoption. The key to adoption success is to trust the right professional to partner with you along your family's path.

Lifetime Adoption offers complete, qualified, caring adoption services to help adoptive families and birth parents come together for the future of a child. A Lifetime Adoption includes:

FREE to Apply!

- Step-by-step guidance through each phase of adoption
- Creative help building your profile
- 24-hour availability for birth mothers and adoptive families meeting their child
- Monthly support and preparation as you wait to adopt
- Resources specific to your adoption's needs

NEED A HOME STUDY?

**Qualified staff
to complete your
Home Study**

**Lifetime
Adoption's
Home Study services** will
walk you through this necessary
step in your adoption.

A valid Adoption Home Study is required for anyone hoping to adopt. Our qualified and professional staff can complete the evaluation for an approved home study for parents who want to gain custody of a child or who plan to welcome a child into their family through domestic adoption.

The purpose of an adoption home study is to approve you for the next step in your adoption dream and prepare you for adding a child to your life through adoption.

Contact us for information
about this milestone in your
adoption story.

**Help with the most
important details
of your adoption**
