

What is the Adoption Process?

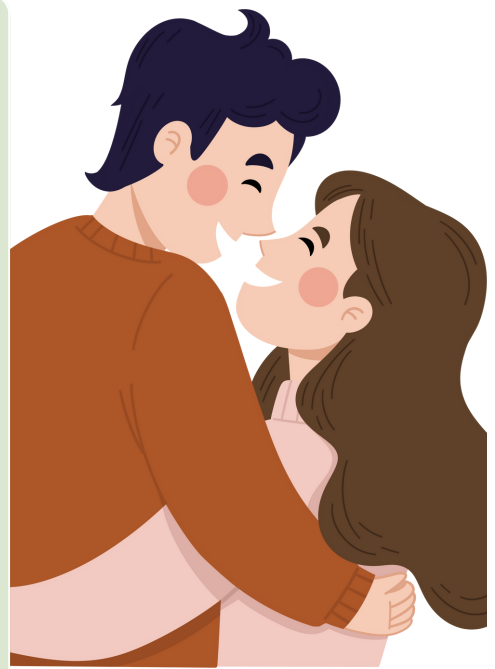

Learn About Your Options

Contact an adoption agency, like Lifetime Adoption to discuss your situation and learn about your choices. All services are **FREE** to you.

Choose Adoptive Parents

Use our simple search tool to find screened and qualified families. You can search for things that are important to you. Then get to know the family and decide on the contact you want with your child after the adoption.

Make an Adoption Plan

Your adoption agency will put all of your decisions in writing and work with the adoption attorney to start the process. This includes any expenses you need help with.

Life After Adoption

Start your free counseling and support. Learn about scholarship opportunities to help you move toward the future of your dreams.
